

CHAPTER 5-000 LOCATION

This chapter outlines the role of Child Support Enforcement in locating a custodial and/or non-custodial party and sources of income and/or assets.

5-001 Appropriate Locate Sources:

Child Support Enforcement must utilize federal, state, local, and interstate location networks, sources and authorized agencies.

5-002 Location Timeframes:

Available location sources, including any appropriate requests to the Federal Parent Locate Service (FPLS) of the U. S. Department of Health and Human Services must be accessed within 75 days of determining that location action is necessary. Location efforts must continue until the information obtained allows Child Support Enforcement to take the next appropriate case action.

5-003 Unable to Locate/Repeated Attempts:

Child Support Enforcement must continue location attempts for cases in which previous attempts to locate the custodial/non-custodial party or sources of income/assets have failed, but adequate information exists to meet location submission requirements.

Attempts for such cases must be repeated at least quarterly, or upon receipt of new information, which may aid in location, whichever occurs sooner. Quarterly attempts may be limited to automated sources, but must include accessing the state employment security files.

5-004 State Parent Locator Service (SPLS):

The Central Office of Child Support Enforcement must establish a State Parent Locator Service (SPLS) using all available relevant sources of information and records. Requests for information from the SPLS will only be accepted from authorized persons for authorized purposes.

The SPLS must accept requests for information only from the following:

1. Any state or local agency, authorized attorney, agent, or official seeking to collect child and spousal support obligations, or medical support;

5. The resident parent, legal guardian, attorney or agent of a child who is not receiving IV-A services;

The State Parent Locator Service (SPLS) may submit requests for information to the Federal Parent Locator Service (FPLS) only when the request is from an authorized person for an authorized purpose. Any information obtained through the FPLS must be treated as confidential and must be used solely for the purpose for which it was obtained and must be safeguarded.

5-006 Nebraska State Directory of New Hires (SDNH):

Child Support Enforcement has established and operates the Nebraska State Directory of New Hires.

Employers are required to report the hire or rehire of employees to the Department within 20 days after the date of hire or rehire. Reports may be submitted on a W-4 or equivalent document, including employee name, address and Social Security number, date of hire or rehire, and employer name, address and employer identification number. Employers may elect to transmit the information magnetically or electronically, by two monthly transmissions, if necessary, which are not less than 12 days or more than 16 days apart.

Within 5 business days of receiving reports from employers, the data must be entered into the Nebraska State Directory of New Hires.

Within 2 business days after new hire date is entered, the child support computer system will conduct a match between the social security numbers in new hire reports, and data in the SPLS. If a matched employee's income is subject to wage withholding, the child support computer system will generate a notice of wage withholding to the employer.

Within 3 business days after new hire data is entered into the State Directory of New Hires, new hire data must be submitted to the National Directory of New Hires.

5-007 Financial Institution Data Match (FIDM):

Financial institutions will receive a listing of obligors within 30 days after the end of each calendar quarter from the Department. The financial institution must match the listing to its current records of accounts held in one or more individuals' names and such accounts closed within the last quarter. The match must be conducted within 30 days after receiving the listing and a match listing of all matches made must be provided to the Department within five working days of the match. The Department may utilize data provided by the financial institutions to assist in the location of obligors and their assets for the establishment, modification, or enforcement of child support orders.

5-007.01 Information Included in the Listing Of Obligor's:

The Department must submit to the financial institution the obligor's:

1. Name; and

3. Social security number or taxpayer identification number of each obligor matched; and
4. Names and addresses of all other owners of accounts in the match listing as reflected on a signature card or other similar document on file with the financial institution.

5-007.03 Confidentiality:

Financial institutions are not required to disclose any account numbers to the Department. The financial institution must maintain the confidentiality of all child support information received and must use this information only for the purpose of financial institution data match. The Department must implement security provisions for the listing of obligors and the match listings which are as stringent as those established under the Federal Tax Information Security Guidelines for federal, state, and local agencies. See 466 NAC 12-000.

5-007.04 Non-liability to Financial Institutions:

Financial institutions are not liable for the disclosure or release of information to the Department or for any other action taken in good faith to comply with the requirements of FIDM.

5-007.05 Fees:
